(20) years of service shall earn .0925 hours of vacation for each hour in pay status per two-week pay period. The current practices concerning the earning of vacation leave credits shall be continued only for those employees regularly scheduled to work in excess of forty (40) hours per week and only for as long as they are so scheduled.

2. Except where operational needs require otherwise, employees shall be entitled to use vacation leave credits at times of their choice. Requests for use of vacation leave credits shall not be unreasonably denied. In scheduling vacations, choice of time shall be governed by seniority. All eligible employees within each appropriate work group desiring vacations for periods of a week or more during the months of June, July and August will choose such vacation periods prior to May 1. In the event of conflict among employees in scheduling such vacation leave, seniority shall govern. Later requests for vacation during June, July and August can be granted subject to operational needs.

3. Except in cases of extreme emergency, no employee shall be required to work during vacation.

4. Employees shall be paid a vacation advance for scheduled periods of vacation of one (1) week or more provided they submit written requests for such advance three (3) weeks prior to the payday on which they want to receive payment.

- (4.) 24-hour employee [3/5 or .6 full time] = 156/204;
- (5.) 32-hour employee [4/5 or .8 full time] = 208/272.
